PROFESSIONAL EXPERIENCE

JAN 2021

MAY 2021

GRADUATION & VOLUNTEER PROJECTS

ABDELHAMID MEHRI University, Constantine, Algeria

- Developed an engaging medical website that showcases medical services and connects with patients, with Web accessibility tools and Customizable layout that make easy way for patients - especially individuals with disabilities to find healthcare providers without moving to the hospital. Throughout the coronavirus pandemic, the website enabled over 50 doctors to check patient's profiles, test results and 7/27 online appointment scheduling. Unanimously acclaimed by the teachers, the project was rated 16/20.
- Spearheaded a volunteer team of 9 students for 15 days to fix up to 60 university hardware breakdown computers and won first class award.
- Effectively performed computers hardware repair for students.

JUN 2021

JAN 2022

PART-TIME CLERK & HARDWARE TECHNICIAN

IT Equipment and management software's store / Mila, Algeria

- Maintained customer's computer systems and peripherals by installing, configuring, testing, troubleshooting, and repairing hardware.
- Provided in-store assistance to customers, browsing inventory and checking out items.

NOV 2021

DEC 2021

FREELANCE WEB DEVELOPER

INFODZ Website / Algiers, Algeria

- Successfully built a full affiliate marketing web app of store management software. With proficient Front-End and Back-End development. The application manages customer orders and the company's affiliated sellers.
- Created responsive web pages and dashboard for admin and resellers
